

**REMARKS**

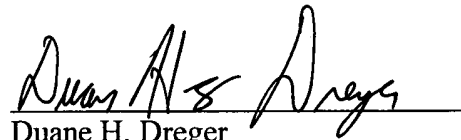

This Amendment is in response to a Non-Final Office Action dated November 19, 2003.

The Examiner rejected claims 2 and 10 under 35 U.S.C. §112, second paragraph as being indefinite for failing to particularly point out and distinctly claim the subject matter that the application regards as his invention. Specifically, the Examiner states that the term "or other standard user interface device" renders the claim indefinite as it fails to show positive assertiveness. By this Amendment, Applicants are amending claim 2 to remove this term. As such, all claims should be in condition for allowance.

Applicant respectfully requests the issuance of a Notice of Allowance in this matter.

Please charge any additional fee occasioned by this paper to our Deposit Account No. 03-1237.

Respectfully submitted,
